Journey out of Ho Chi Minh City to the **Cu Chi tunnels**, where you will visit the vast underground network of tunnels built first as a defence against the French, and later expanded during the Vietnam war. It was from here that the North Vietnamese waged their guerrilla warfare. You will marvel at their ingenuity and resilience. See secret trapdoors, underground kitchens, living areas and meeting rooms. The more adventurous may explore the deeper second, and even third level tunnels. For those preferring to remain above ground, there is ample opportunity to view excavated areas from above. Your guide will advise you of the length and level of difficulty of each tunnel before entering - some are easily accessed by stairs. We recommend good walking shoes and sun protection for this tour. In the afternoon, enjoy a tour of Ho Chi Minh City. Proceed to the former **Presidential Palace**, which is now preserved as a museum, including the underground communications bunker headquarters for the Sai Gon Government during the War. Continue to the **History Museum**, which houses an excellent display tracing the origins of the indigenous Vietnamese. Visit the **neo-Romanesque Notre Dame Cathedral, Central Post Office**. Strolling along **Dong Khoi Street**, formerly known as the Rue Catinat, the main shopping thoroughfare and heart of old colonial Sai Gon, passing by classic European-style landmarks such as the ornate **City Hall (Hotel De Ville)**, the old **Opera House** (both may only be viewed from the outside). DAY 04: HO CHI MINH - HUE BY FLIGHT

Free at leisure until transferring to the Tan So Nhat domestic Airport for your flight to Hue. Upon arrival in Phu Bai Domestic Airport, you will be greeted by local guide and transfer you to your hotel in Hue that Hue is a beautiful and welcoming city. As Vietnam's capital throughout the Nguyen Dynasty (1802-1945), as a centre of Vietnamese Buddhism and scholarship and finally as the setting for some of the Vietnam War's most bloody fighting, Hue provides a unique window into Vietnam and its complex past. Have a boat trip on the romantically named **Perfume River**, passing the 10-metre thick protective walls of the Citadel on board a Vietnamese 'dragon boat'. A short distance up river is perhaps Hue's best-known religious site, the **Thien Mu Pagoda** with its distinctive seven-storey octagonal tower. This serene and picturesque landmark is also an important Buddhist sight. From here, in 1963, the monk Thich Quang Duc travelled in his pale blue Austin to Sai Gon and publicly burned himself to death to protest against the anti-Buddhist stance of the President. Take a cyclo to the **Imperial Citadel**, a vast complex built in the early 19th century and modelled after the Forbidden City of Peking. The original walls stretched for 10 km and were surrounded by a wide moat. Today, most of the buildings have been destroyed due to bombing during the Vietnam-American War, but the monuments that remain provide a fascinating glimpse into the court life of the Nguyen Dynasty. Then cyclo back to your hotel. Overnight in Hue.

Meals included: Breakfast, Lunch

DAY 05: HUE - EMPERORS' TOMB - LANG CO VILLAGE - HOI AN

The hills surrounding Hue are dotted with the tombs of the Nguyen dynasty emperors. Built not only as an eternal resting place, the tombs were designed for recreation; somewhere the Emperor could fish, hunt and enjoy the company of concubines in his twilight years. Your tour combines visits to two of the most contrasting tombs. First, you will visit the **Tomb of Emperor Tu Duc**, resplendent in traditional architecture, paved walkways, resting pavilions overlooking tranquil lotus ponds, and a small forest for hunting. In stark contrast, you will continue on to **Khai Dinh's Tomb**. Remembered as the "Puppet Emperor" because of his affiliation with the French, this tomb was designed with colonial flair, and a glass mosaic frieze dominates the interior. Depart Hue for Hoi An, on the way our vehicle will stop at **Lang Co Village** and **Hai Van pass** to take in the spectacular view along the coast to Da Nang. Continue to Hoi An Ancient Town along some of the most winding roads in Viet Nam and glory in the best sea views in Central Viet Nam. Upon arrival, check in at hotel. Overnight in Hoi An.

DAY 06: HOI AN WALKING TOUR

Hoi An is the unique trading town; a civilization cut off by destroyed rail lines and a silted river, leaving it untouched by war and almost frozen in time. No cars are allowed to pass through Hoi An, rendering it an excellent walking village. You start your walking tour which includes a visit to **Chinese Communal pagoda**, the unique **Japanese Covered bridge**, architecture reminiscent of traders of a bygone era - Japanese, French, Chinese, and Indian, as well as beautifully preserved ancient houses. You will also have chance to visit the Hoi An local market or shop for art at one of the numerous galleries and enjoy the riverside ambience. The rest of day, you will enjoy some free time in Hoi An for shopping and further exploration.

Nearby, visit the **Ho Chi Minh Museum**, an extraordinary tribute in abstract form to the life of the 'father of the country' and the evolution of Vietnamese independence. French architecture is a feature of Hanoi, and the nearby former Governor's Residence is a fine example as well as the **One Pillar Pagoda**.
